
LEGION OF HONOR

The success of Kiwanis International is largely due to the strong, effective, and active service of thousands of Kiwanians. Many of whom have achieved more than 25 years of membership. These dedicated individuals deserve recognition for having helped make Kiwanis the great organization it is today. The Legion of Honor award was created to extend a token of appreciation to these Kiwanians by recognizing members from their 25th year of service and incrementally every five years thereafter. The admiration and gratitude of the Capital District is extended to the following Kiwanians who achieve (d) recognition in January, February and March.

Below are only the names of Kiwanians in the Capital District who this administrative year achieve their first or next level of Legion of Honor, thus joining the ranks of many others throughout the district who have also reached these membership milestones.

* Anniversary dates are taken from the Capital District Directory. Interested in learning more about LOH recognition contact Diversity Enhancement Chair Elana Gardner at clangrdnr@aol.com
